Jack:

1. FYI: John Kerry King will be out for the next month.
2. I talked to [REDACTED] about the trees. He commented that problems with the trees extend beyond those in the courtyard.
3. FAC had enlisted the aid of a consultant by the name of [REDACTED] who apparently did not come up with a solution for the problem.

4. We have asked the Department of Agriculture to come out and assess the problem. There is also a problem with worms and fungus which must be dealt with. (which Tom says is not the cause of the trees dying).

5. LSD appears to be on top of this.

JB.

Members of the Fine Arts Commission
keep reminding me the trees in the courtyard
are dying. They are dying. We think
water would help.

Please help!
